How to hoopla on iOS

The Hoopla Digital mobile app can be found in the App Store on your iOS device. Search for "Hoopla Digital" to find and download the app. Hoopla will run on iOS 16 and up. For the best results, it is recommended to use the latest versions of both the operating system and Hoopla app.

Sign Up

Using your library card, create an account. Once your account is set up, you'll log in with the email address and password you created.

Search & Borrow

Search for audiobooks, eBooks, comics and manga, music, movies, TV, and more with BingePass. Then borrow a title by clicking on the title's icon and tapping **Borrow**.
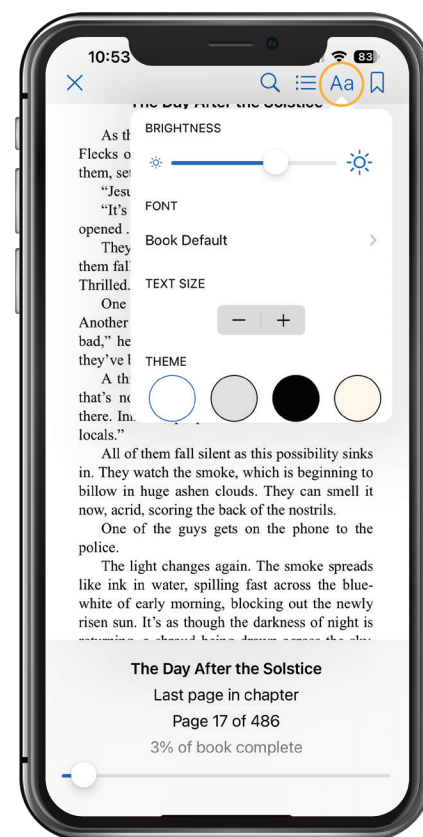

Enjoy

Stream your item or download to your device for offline use. Borrowed titles will return automatically when the lending period expires.

After borrowing, tap **Download to your device** (in blue text) to make the title available for offline use. Please note: download functionality is not available for some BingePass content.*

While playing the audiobook, expand the media player to gain access to all of the player controls. Tap the **1.00x** text on the bottom right of the screen to change the speed of the audio. By default, your book will play at 1.0x speed, but you can customize to your preference from 0.5x to 4x playback speed.

While reading an eBook, if you want to adjust the text, formatting, or color of the page, tap **Aa** in the top right corner to access the Reader Settings menu. Once you have made your chosen adjustments, tap off the menu to return to your title.

*BingePass audiobooks, movies, TV, and music are available for streaming only.

Syncing your Hoopla account with a set-top box
Need a Hoopla account? Visit HooplaDigital.com to get started.

1. Open the Hoopla Apple TV app, Fire TV app, Roku channel, or Samsung TV app. The app opens on the Hoopla welcome screen. (NOTE: If you are using the Apple TV or Fire TV app, click to open the next page before proceeding.)

2. At the top of the screen a four-digit code is displayed. Enter this code in one of two places:

- Using another device, log into the Hoopla website with a mobile or desktop browser and visit HooplaDigital.com/link.

—OR—

- Using another device, access the Settings page of the Hoopla app and the **Link TV Device** section.

3. Enjoy Hoopla on your TV! Begin searching, browsing, and accessing your favorite movies, TV shows, music, and audiobooks.
