Scope and Content:

The records for Dr. Morgan Henry Scott's Physician Books include 19 years of daily physician records and the accounts receivable ledger for the same years: 1950 to 1969.

The "Physician's Books" range from 1950 to 1969. There is one book for each year. Inside each book are the names of each patient Dr. Scott saw on the date he saw them along with where he saw them and the price for services. In the back of the books from 1950 to 1964 is a list of deaths. The 1953 book has a list of obstetrical records for the year in the back of the book.

The "Accounts Receivable" series is one large ledger book ranging from 1950 to 1969. This ledger shows the debits and credits with the final balance for Dr. Scott's patients along with their address.

System of Arrangement:

This collection is organized into two series: "Series 1. Physician's Books" and "Series 2. Accounts Receivable". The records of this series are filed chronologically.
